2026 Golf Schedule:

The 2026 golf schedule is still in the works but
what has been scheduled is posted on the
[Upcoming Tournaments](#) page of the website
(downloadable pdf coming soon), so take a
look and mark your calendar.

We've been able to secure several nice
courses for 2026. Let's keep it fun!

We have scheduled two weekend trips for
2026:

1. March 14 & 15 at Laguna Seca & Black Horse
Golf Courses, the details and cost are
posted on the [Upcoming Tournaments](#) page
of the website. A \$150 deposit is due
January 23rd and the balance due February
26th. Hotel is not included.
2. September 12 & 13 - at Sunridge & Silver
Oak Golf Courses, in Carson City, NV. The
details and cost will be posted on the
[Upcoming Tournaments](#) page of the
website. A \$150 deposit is due July 17th and
the balance due August 14th. Hotel
included, details in the works.

Housekeeping:

- Some of the courses require lineup a week in advance so we will start requiring earlier responses to the invitations. With that comes earlier payment for the tournament, please pay prior to play.
- 2026 prices are similar to 2025 so when you say you'll be at the tournament, we count you and we sometimes have to pay anyway. We've tried to select courses that are moderately priced.
- We have a \$500 Hole-In-One fund but it's only available to paying NorCal Travelers GC members.
- The Club rules are located on the [website](#) for everyone's use.

Pace of Play:

To keep the pace of play going, pick up your
ball at double par.

Membership:

It's time to renew your NCTGC membership. We
have 40+ renewing and a few new members. If
you see a new face at a tournament, be sure to
introduce yourself and say hi.

For those who haven't responded that they will
be renewing, we need to know as soon as
possible as the deadline to submit to NCGA is
looming. Also, if you haven't already paid
(thank you to those who have) please submit
your payment for membership either during the
January tournament, by mail, or through one of
our payment apps. Shoot an email to
NorCalTravelClub@gmail.com and I'll send you
more detailed information.
